OXFORD GARDENS APARTMENTS IN ARJAN, DUBAI

Oxford Gardens Apartments is a complex with 10 residential floors in the Arjan district. The premium residential community includes studio apartments and 1-, 2-, and 4-bedroom apartments. The uniquely designed residences with panoramic floor-to-ceiling windows and breathtaking views of the Dubai skyscrapers will become the embodiment of endless comfort.

ABOUT OXFORD GARDENS APARTMENTS

The residential community's construction completion is scheduled for the 1st quarter of 2025. Studio apartments and apartments ranging from 38 to 232m² are already for sale in this gated community.

The gated community includes a swimming pool and a gym on the roof of the residential building, as well as a children's shallow pool, a conference room, a tennis court, and a barbecue area. The on-site fitness studio is equipped with cutting-edge training equipment. The well-developed infrastructure will ensure this residential community is very popular among tenants. Investing in residences in this residential development will be the key to a recurring high passive income.

PRICES FOR STUDIOS AND APARTMENTS IN OXFORD GARDENS APARTMENTS

You can already buy an apartment in the unique gated community situated in the Arjan area, part of the extremely popular district of Dubailand. The cost of studios and apartments in this residential complex today starts at AED 500,000 (\$136,000). Buying an off-plan apartment at the construction stage is most profitable as once the property is put into operation, the cost of the residences will increase.
