VARDON IN AKOYA OXYGEN

Vardon is a new private residential development located in the Akoya Oxygen area of Dubai, which is famous for its environmental friendliness, beautiful natural surroundings and magnificent views of the desert. There are several renowned golf courses and other leisure facilities close to the villas.

REAL ESTATE IN VARDON

All houses in the village are built in a similar minimalistic style. You can choose from detached villas and spacious duplex townhouses for two families.

The developer offers a variety of options to meet your requirements. The size of the villas varies from 112 to 360 m². Layout options range from two to six bedrooms. Each unit has a swimming pool, private garden and a spacious terrace. There is also parking and a garage for your car depending on the type of villa. Vardon property prices start at AED 750,000 for a small townhouse and go up to AED 3,400,000 for a spacious villa.
